NA WEI

FULL STACK DEVELOPER

ABOUT

Curious life learner with a keen interest in data and technology. I enjoy working with people, solving challenges and building apps and services that makes life easier. Having previously worked in healthcare, I have now transitioned into the field of technology to pursue my passion as a full-stack JavaScript web developer.

WORK EXPERIENCE

FULL STACK DEVELOPER

School of Applied Technology | Sep 2020 - Apr 2021

- Worked on multiple team and individual projects, for internal operations and private clients.
